

SCORPION ZERO[®] **ALL SEASON**

SUV — ALL SEASON — PERFORMANCE — M+S

SCORPION™ ZERO ALL SEASON is the new UHP SUV All Season product developed for premium and prestige OE Car Makers engineered to maximize the performances during all the seasons, in every driving condition, also on light snow-covered roads.

The perfect choice for sporty SUV, it offers excellent performance on dry and wet and grant the perfect fit for every vehicle.

The innovative compounds combined with the asymmetric and optimised pattern provide UHP performance during all seasons, assuring outstanding levels of safety and comfort and minimising the noise level.

HIGH SIPE DENSITY

High sipe density provides excellent grip and traction in winter season.

CURVED SIPES

Curved sipes in the internal blocks allow a better traction on snow with increase safety and control.

OPTIMISED TREAD DESIGN WITH CURVED GROOVES AND BRIDGES

Noise reduction for improved driving comfort.

FOUR LONGITUDINAL GROOVES

Longitudinal grooves guarantee excellent water expulsion. External smaller grooves provide pattern adaptability, increasing safety on dry surfaces.
